

DIRECTIONS FROM DURBAN

Take the N2 North, pass the Tugela River, continue until the DOKODWENI off-ramp to Eshowe /Ulundi/ Melmoth - R66

Approximately 24kms to Eshowe along the R66.

Turn left at SECOND entrance into Eshowe, at traffic lights with Siza (Total) service station on your right.

Pass through next set of traffic lights, pass Pick and pay center on your left continue till Hospital. Hospital is on left and at this set of traffic lights, turn Right (you will see my 'Birds of paradise' B&B sign to the right of these lights).

Follow 4 of these signs to my home. No 49 Ulundi Street, third on the left – big wooden electric gates. Ring the intercom for assistance and then proceed straight to the top of driveway. The dogs are friendly and no need to be afraid.

Hope you have a safe journey.
